# HAM RADIO TWO-DAY LICENSE CLASS

## OCT. 2nd & 3rd (SAT. & SUN) SANTA ANA

**OPEN TESTING, SUNDAY P.M., ALL LEVELS!**

**YOUR INSTRUCTOR IS GORDON WEST, WB6NOA**

- Pass your ham radio FCC license exam right in class, on the second day.
- Live equipment demonstrations, including emergency radio communications.
- Radio demonstrations of radio internet linking, plus computer communications.
- Training on how to operate through local radio repeater systems.
- Study questions reorganized for easier classroom learning. New simple Test!
- Multiple-choice examinations with no Morse Code test required.

*Ham radio operators provide valuable communications in an emergency. Many cities throughout the country use ham radio operators to support Community Emergency Response Team (CERT) training and actual call-outs. This two-day action-packed class will feature live ham radio equipment for everyone to learn how to operate. Pre-study before class and spend two days to pass your amateur radio Element 2 Technician class examination, right in the classroom on Day 2. New Easier Test!*

- Earn full ham radio Technician class radio privileges. - **FREE INSTRUCTION!**
- Learn radio communications through satellites and the International Space Station (ISS).
- Operate your own ham radio position-reporting system (APRS). **LIVE DEMOS!**
- Operate ham radio television and computer radio photos (ATV and SSTV). **LIVE DEMOS!**
- Become a ham radio emergency responder for CERT communications.
